## **Constitutional Amendment No. 2**

[Proposed by Initiative Petition]

Do you want to amend the Missouri Constitution to:

- adopt Medicaid Expansion for persons 19 to 64 years old with an income level at or below 133% of the federal poverty level, as set forth in the Affordable Care Act;
- prohibit placing greater or additional burdens on eligibility or enrollment standards, methodologies or practices on persons covered under Medicaid Expansion than on any other population eligible for Medicaid; and
- require state agencies to take all actions necessary to maximize federal financial participation in funding medical assistance under Medicaid Expansion?

## Map of Missouri Counties

# Classification of Municipalities

Missouri statutes classify municipalities on the basis of population and limit the form of government options of each classification. The statutes provide that a community may incorporate as a city of the third class, fourth class or village on the basis of the population at the time of incorporation<sup>1</sup>. Once a community is incorporated under a given classification, the municipality does not automatically change classification with a gain or loss of population. A municipality may change classification only when the change is approved by a majority vote of the people.

There are certain forms of government permitted for each classification of municipality. Villages are permitted only one form of government—an elected board of trustees, five in number if the village has less than 2,500 population and nine if more than 2,500 population. Fourth-class cities are permitted to have either a mayor/board of aldermen form or a mayor/city administrator/aldermen form. The board of aldermen may adopt a city administrator form by ordinance, without a vote of the people. Third-class cities are granted greater flexibility with the authority to establish a mayor/council form, a council/manager form, a commission form or a mayor/city administrator/council form. Finally, constitutional charter cities may adopt any form of government that the people approve in the charter.

<sup>1</sup>From 1821 to 1875, the Missouri General Assembly passed special charters for specific cities, until the 1875 Constitution prohibited further granting and amending of special charters. However, seven Missouri municipalities are still operating under special charters granted before 1875. They are Augusta, Carrollton, Chillicothe, La Grange, Liberty, Miami and Pleasant Hill. If the voters of these municipalities decide to relinquish their special charters, they will be governed by the appropriate sections of the statutes relevant to their population classification.

Class	Population Requirement	Form of Government
Village	less than 500	Board of trustees
4th Class	500-2,999	Mayor/board of aldermen Mayor/city administrator/alderman Mayor/council
3rd Class	3,000-29,999	Mayor/city administrator/council Council/Manager Commission
Constitutional Charter / Home Rule	more than 5,000	To be decided by the people
Special Charter	no requirement	As set forth in the individual special charter

The Missouri Press Association is an organization of newspapers in the state.

Organized May 17, 1867, as the Editors and Publishers Association of Missouri, the name was changed in 1877 to the Missouri Press Association (MPA). In 1922, the association became a non-profit corporation, and a central office was opened under a field manager whose job it was to travel the state and help newspapers with problems.

The association, located in Columbia, became the fifth press association in the nation to finance its headquarters through member contributions. The MPA's building was purchased in 1969.

As a founder of institutions, the Missouri Press Association aided in the establishment of the Confederate Soldiers' Home, the upbuilding of the normal schools, support of the public school system and advancement of the University of Missouri.

The association founded the State Historical Society of Missouri in 1898, and today several of its members serve on the board of trustees. Greatest among its achievements is the establishment of the first school of journalism in the world in 1908. The Missouri School of Journalism at the University of Missouri in Columbia continues as the largest and foremost school of its kind. The association led the drive to fund the chair in Community Newspaper Management at the School of Journalism, and its donations helped fund the student lounge in the school's Lee Hills Hall.

Through their association, the publishers in Missouri have worked to keep the press free and alert, as well as responsible; to keep it financially independent so it can render impartial public service; and to understand changing trends in business and in reader needs. Activities of the association include setting up workshops, seminars, conventions, publishing a magazine, The Missouri Press News, supplying information to members, helping newspapers find skilled personnel and assisting with the placement of students.

On the occasion of its 100th anniversary in 1966, the association re-established the old Sa-

line County Herald newspaper office in historic Arrow Rock, and maintains a newspaper equipment museum, which underwent renovations in 2016, in connection with it.

The Missouri Press Foundation administers and funds seminars and workshops for newspaper people, supports Newspapers In Education programs, and funds scholarships and internships for Missouri students studying community journalism in college.

Membership in the association is voluntary. All daily newspapers in the state are members and 99 percent of the weekly newspapers are members. In 2021, there were 214 weekly and daily newspaper members. The association also has 90 associate and friend of members. It is supported wholly by dues paid by these members.

The central office in Columbia has nine employees. Mark Maassen serves as executive director by appointment of the board of directors.

## Show-Me Press Association

The Show-Me Press Association was formed in June 1995 at Lake Ozark when members of the Central Missouri Press and Northeast Missouri Press associations voted to combine their organizations with one board of directors.

The Central Missouri Press Association was organized Feb. 27, 1925, in Jefferson City with 30 charter members. Edgar C. Nelson, then owner and publisher of the Boonville Advertiser, was elected the first president. The district extended from St. Louis County on the east to Jackson, Cass and Bates counties on the west and included all 28 counties through the central part of the state bordering the Missouri River on both sides. In these counties are located the State Capitol, University of Missouri, State Fair Grounds and the University of Central Missouri. The first organizational meeting of Northeast Missouri Publishers was held in Hannibal in November 1889. Meetings of this group were held through 1896, after which the organization disintegrated and was succeeded by the Northeast Missouri Press Association, organized in 1920 in Kirksville with Charles H. Weisenborn, editor of the Macon Daily Chronicle-Herald, as its first president.

Officers serving as of 2021:

**President:** Hannah Spaar, Odessa;

**Directors:** Roxie Murphy, Owensville; Gary Castor, Jefferson City; Tim Schmidt, Warrenton; Jacob Warden, Owensville.

## Missouri Press Advertising and Marketing Executives

The Missouri Advertising Managers' Association, Inc., renamed the Missouri Press Advertising and Marketing Executives in 2019 was originally formed in May 1948. Thomas F. Briggs of the Macon Chronicle-Herald was the first president. The organization was formed not only to help ad-

vertising managers, but, through the use of clinics, courses and exchanges of ideas, to benefit the buying public and merchants who purchase advertising space. The organization is concerned with the honesty, truth and equality of advertising in newspapers.

Officers serving as of 2021:

**President:** Bryan Chester, Columbia;

**First vice president:** Whitney Livengood, Washington;

**Secretary/Treasurer:** Kristie Fortier, Columbia;

**Past president:** James White, Warsaw;

**Directors:** Kevin Jones, St. Louis; Sandy Schnurbusch, Perryville; Brittney Cady, Jefferson City; Gina Langston, Greenfield; Stephanie Watkins, Jackson.

### Northwest Missouri Press Association

The Northwest Missouri Press Association was organized in St. Joseph on Nov. 20, 1891. There were 56 charter members. The association totals more than 150 members. The association initiated the movement to secure a field secretary for the Missouri Press Association and started the plan to advertise Missouri, which led to the founding of the Greater Missouri Association.

In 1962, the association dedicated a student lounge in Neff Hall at the University of Missouri School of Journalism, which it completely equipped and furnished.

Officers serving as of 2021:

**Secretary:** Kathy Conger, Bethany;

**Treasurer:** W.C. Farmer, Rock Port;

**Past president:** Steve Tinnen, Plattsburg;

**Directors:** Mike Farmer, Rock Port; Dennis Ellsworth, St. Joseph; Jim McPherson, Weston; Adam Johnson, Mound City; Kay Wilson, Maryville; Phil Cobb, Maryville.

### Ozark Press Association

The Ozark Press Association was organized in Springfield on Nov. 30, 1889, as the Southwest Missouri Press Association, with an original membership of 30 owners and editors of newspapers in Southwest Missouri. The name was changed to the Ozark Press Association in November 1911. The membership had then passed the 50 mark. The constitution had been changed to admit reporters, writers of news and others connected with newspapers in Southwest Missouri. Now, there are more than 100 members. At one time, the group met twice each year. One was a social gathering, usually in the fall at some resort in the area. The business meeting was held during the spring, at which time members and their families discussed newspaper problems and trends, saw exhibits by newspaper supply companies and heard speakers prominent in journal-

ism and other fields. Today, Ozark Press meets in the spring for its annual convention, and has sponsored several one-day workshops around the region.

Officers serving as of 2021:

**President:** Dan Wehmer, Seymour;

**Secretary/Treasurer:** Norene Prosofski, Gainesville;

**Directors:** David Burton, Springfield; Allison Wilson, West Plains; Kyle Troutman, Monett.

### Southeast Missouri Press Association

The Southeast Missouri Press Association was organized at Poplar Bluff in the spring of 1893.

E. Hoag, publisher of the Poplar Bluff Citizen, was the first president. For many years, the Association's historian was Mildred Wallhausen of the Charleston Enterprise-Courier until her death in February 2009.

Officers serving as of 2021:

### Missouri Press Foundation, Inc.

The Missouri Press Foundation, Inc. was organized in April 1984. Robert M. White II of the Mexico Ledger was the first president. Among its activities, the foundation was formed to provide newspaper journalism scholarships and fund internships, conduct newspaper journalism seminars, support Newspapers In Education programs, conduct an annual Better Newspaper Contest, collect and preserve old newspaper printing equipment, operate a historical museum at Arrow Rock and help support the Missouri Photojournalism Hall of Fame in Columbia.

# Missouri Broadcasters

## Missouri Broadcasters Association

1025 Northeast Dr., Jefferson City 65109

[www.mbaweb.org](http://www.mbaweb.org)

The first radio stations to begin operations in Missouri were KMBC-AM (now KMBZ) in Kansas City and WEW-AM in St. Louis. Both signed on the air in 1921. In the following years, the number of radio operations steadily increased as the first FM stations began broadcasting in 1948. Today, there are approximately 400 radio stations serving listeners in Missouri.

Television broadcasting began in 1947 when KSD-TV (now KSDK) in St. Louis signed on the air, followed in 1949 by WDAF-TV in Kansas City. Federal policy suspended the granting of any further licenses until 1953. Shortly after licensing resumed, many additional television stations began operations. There are now approximately 60 commercial and public television stations broadcasting a variety of news, information and entertainment programs each day.

The Missouri Broadcasters Association (MBA) was formed Aug. 15, 1948, in Kansas City. Missouri was the second state to have a full-time broadcast association. North Carolina's association was formed earlier that same year. From its offices in Jefferson City, the MBA works for the broadcasters of Missouri, as well as allied organizations, to provide a variety of services.

The MBA is governed by a four-person executive committee and a 10-person board of directors representing radio and television broadcasters. Board members are elected for two-year terms and may seek re-election for one additional term. In addition, there are four standing committees, each responsible for a specific area of service. The committees have three roles: to represent member interests in state and federal legislative and regulatory processes; maintain the MBA office as a resource center for training, revenue expansion, cost control and information; and encourage the highest standards in broadcasting.

The MBA is a State of Missouri Preferred Vendor (Contract #CS180542005) for placement of radio and TV spots. MO-PEP, the MBA's Missouri Public Education Program, provides government agencies, non-profit groups and trade associations guaranteed placement on a statewide network of 248 radio and 56 TV stations. MO-PEP returns four dollars of media value for every one

dollar invested in the program, and it includes free production of radio and TV spots. Partners may choose statewide or targeted campaigns.

Since 1968, the Missouri Broadcasters Association has maintained a communications center on the first floor of the state Capitol. These facilities are available to radio and television broadcasters to aid in their coverage of state news. These facilities are also available to state officials and legislators for the recording of information to be sent to radio and television stations in Missouri.

# Academy of Missouri Squires

An organization unique among the states, the Academy of Missouri Squires was founded in the fall of 1960 by Governor James T. Blair Jr., who established it with a ceiling of 100 members. Governor Blair's purpose was to establish an organization to honor Missourians for their accomplishments at all levels—community, state or nation.

Governor Blair appointed the first class of 10 Squires after consulting leaders in every section of the state. Each succeeding class has been elected by the membership of the Academy, after receiving nominations from the public as well as from the membership of the Academy. The governor and former governors of Missouri are automatically members.

Squires are listed by class. Present addresses are noted in parentheses when different from address at time of election.

# Flag Etiquette

The following are some of the rules of flag etiquette regarding the time and manner of display and disposal of the flag of the United States of America pursuant to Title 4, Chapter 1 of the United States Code.

It is the universal custom to display the flag only from sunrise to sunset on buildings and on stationary flagstaffs in the open. However, when a patriotic effect is desired, the flag may be displayed 24 hours a day if properly illuminated during the hours of darkness.

No other flag or pennant should be placed above or, if on the same level, to the right of the flag of the United States of America, except during church services conducted by naval chaplains at sea, when the church pennant may be flown above the flag during services for the personnel of the Navy.

No person shall display the flag of the United Nations or any other national or international flag equal, above, or in a position of superior prominence or honor to, or in place of, the flag of the United States at any place within the United States or any territory or possession thereof; provided, that nothing in this section shall make unlawful the continuance of the practice heretofore followed of displaying the flag of the United Nations in a position of superior prominence or honor, and other national flags in positions of equal prominence or honor, with that of the flag of the United States at the headquarters of the United Nations.

When flags of states, cities or localities, or pennants of societies are flown on the same half-yard with the flag of the United States, the latter should always be at the peak. When the flags are flown from adjacent staffs, the flag of the United States should be hoisted first and lowered last. No such flag or pennant may be placed above the flag of the United States or to the United States flag's right.

The flag of the United States of America, when it is displayed with another flag against a wall from crossed staffs, should be on the right, the flag's own right, and its staff should be in front of the staff of the other flag.

The flag of the United States of America should be at the center and at the highest point of the group when a number of flags of states or localities or pennants of societies are grouped and displayed from staffs.

When the flags of two or more nations are displayed, they are to be flown from separate staffs of the same height. The flags are to be of approximately equal size. International usage forbids the display of the flag of one nation above that of another nation in time of peace.

When displayed either horizontally or vertically against a wall, the union should be uppermost and to the flag's own right, that is, to the observer's left. When displayed in a window, the flag should be displayed in the same way, with the union or blue field to the left of the observer in the street.

When used on a speaker's platform, the flag if displayed flat, should be displayed above and behind the speaker. When displayed from a staff in a church or public auditorium, the flag of the United States of America should hold the position of superior prominence, in advance of the audience, and in the position of honor at the clergyman's or speaker's right as he faces the audience. Any other flag so displayed should be placed on the left of the clergyman or speaker or to the right of the audience.

The flag, when flown at half-staff, should be hoisted to the peak for an instant and then lowered to the half-staff position. On Memorial Day the flag should be displayed at half-staff until noon only, then raised to the top of the staff. By order of the President, the flag should be flown at half-staff upon the death of principal figures of the United States government and the governor of a state, territory or possession, as a mark of respect to their memory. In the event of the death of other officials or foreign dignitaries, the flag is to be displayed at half-staff according to presidential instructions or orders, or in accordance with recognized customs or practices not inconsistent with law.

In the event of the death of a present or former official of the government of any state, territory or possession of the United States, the governor of the state, territory or possession may proclaim that the national flag shall be flown at half-staff.

- The flag should be hoisted briskly and lowered ceremoniously.
- The flag should be displayed in or near every polling place on election days.
- The flag should be displayed during school days in or near every schoolhouse.
- The flag, when it is such that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning.

## The Pledge of Allegiance

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.
